

A romantic scene of a couple walking away from the camera through a dark metal archway in a garden. The man is on the left, wearing a dark suit, and the woman is on the right, wearing a white off-the-shoulder dress. They are holding hands. The archway is covered in green foliage, and the background shows a path leading into a park-like setting with trees and a body of water in the distance.

MEET THE LEGAL LOVE DEALER

Hi, I'm Kass!

A civil celebrant, who love when couple's throw out the rule book and get married in their own way! I've been doing this full time since 2023, and I'm so thankful I get to call it my full time gig. Before weddings, I was in the Army as an Officer, managing logistics and timelines (which, let's be honest, comes in very handy when running a wedding).

These days it's a beautiful change of pace — swapping combat boots for confetti, meeting incredible humans and getting to share their stories, and spending more time with my family. Two under two is wild, but I am now extremely skilled in negotiating with toddlers (also very handy during weddings).

I'm so glad you're here, because couples like you are the reason I get to do what I love.

So, thank you!

A little update: I no longer offer MC services as we have started the incredible adventure of running our own wedding venue!

"We honestly couldn't have done it without Kass – and not just for the legal stuff! From our very first meeting and through every other appointment, she was so organised, calm, and reassuring. She made the whole process so easy and enjoyable – always bringing such great humour and making us laugh along the way. On the day, she brought so much warmth and sincerity to our ceremony, and made it feel so personal and heartfelt. So many of our guests commented on how fantastic she was and how beautifully she guided the ceremony. Thank you for being such an important part of our wedding – we'll be forever grateful :)."

FAQ

How far in advance should we book you?

Most couples book 18 months (at least) ahead, especially for peak weekends. I only take one wedding per day, so once your date is gone, it's gone.

Do you travel?

Yes! I'm Canberra-based but I travel across ACT, NSW regularly and beyond. Travel fees vary depending on distance — just ask and I'll give you the details.

What does your fee include?

All the essentials — your personalised ceremony, legal paperwork, rehearsal, vow guidance, run sheet templates, curated to-do list via the app, Kass Cam, and unlimited support leading up to your big day. Your package will outline these inclusions.

How will my images be used or shared?

Your privacy is paramount. You'll have the opportunity to specify your privacy preferences at any stage! Of course I would love to show off your gorgeous faces, but it is not a requirement to book me. Plenty of couples have asked to remain private and that is absolutely okay!

How do you give us Kass Cam footage?

Raw, unedited footage is delivered via a OneDrive link!

FAQ

Do you stand up the front with us?

Depending on your ceremony layout dictates where I stand. I will never be up there with you two, most likely I will be off to the side to give your photographer all the space in the world to capture some epic shots.

What's your vibe?

Heartfelt, fun and a bit of banter. I thrive in light-hearted ceremonies!

When are you taking bookings for your venue?

We're now taking expressions of interest for 2027 weddings and beyond. This is the very beginning of something beautiful, and we can't wait to welcome couples to celebrate with us.

Can I message you on instagram?

We do have an app that allows us to message each other 24/7. But if you want to call me, text me, message me on instagram, send a carrier pigeon, whatever it is I will answer! I will always give you my time when I can. My instagram however is @sealedwithakass, dm me!
